## **1. Overview of proposed feasibility study bids.**

The group took 10 mins to read through the proposed expression of interest form, to make sure everyone was caught up to speed.

## **2. Facilitator meeting feedback.**

## **3. Overview of potential Cornwall Insight help.**

## **4. Discussion on proposed bids.**

- Within the scope of supporting?
- Virtual power plants raised as an option for the community energy project.
- Resources – use of consultants.

- Include Broads authority.
- Match funding – go to CEOs.
- SHIFT project – link with Bacton.
- NNC CEO support for the 3 projects and potential for small match funding.
- How 3 elements become one cohesive project.
- LEP focused on business support – put together net zero grant programme.
- 3 strands – challenges decarb rural area. Steer away from rural/urban distinction. Net Zero Norfolk.
- Off oil into electric – poor gas connection 1/3 not on gas.
- Address inequalities
